Budget Cuts

- Proposed cuts of £8.2 million to Education
- Decision from meeting on 23rd Jan was to **not** go ahead with cuts this financial year
- Full council meeting on 22 Feb to determine next year's budget

What can we do now?

- Get in touch with us at Flora's Parent Council to let us know your thoughts
- Engage with local councillors to ensure education is protected from any future cuts

Treasurer's Report

The bank balance was £16,498 as of 01 February 2024. Since the last meeting we have raised £1,665 from the Winter Fair, £1,952 from the Christmas Cards, £300 from the Bake Sale and approximately £160 from the Ceilidh. We have paid for the football kits, prefect bibs, loose parts and the ice dragon show totalling £3,149. We have also paid for £379 out of the £500 agreed for the upgrading of the library furniture.

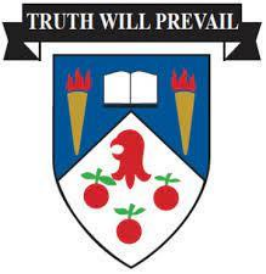

In addition to this, our annual payment from Edinburgh Council of £809 has been received.

*The price of the prefect bibs had increased by £176.60 over the expected price. This has been paid, but needs to be formally approved at this meeting.

The funding requests for library software** (£499.99), chess tournament entries (£150), tree guard for playground (~£2,000), P1 Outdoor Learning equipment (£1,065), Laptops (£2,920), Clarinets (£700), Christmas Party food (£705), Generation Science events (£3,360) and new sounds system (£337) have all yet to be invoiced, totalling £11,858.

**An additional £466 is required for the library installation as the costs were higher than originally anticipated in the funding request.

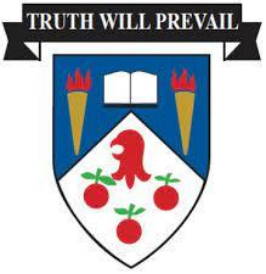

Taking this into account, this brings the balance available to approximately £5,000 to support any further funding requests.

Voting

Funding requests:

- £176 additional for prefect bibs (already purchased)
- £466 additional for library system installation (already purchased)
- £200 for poster frames for school corridor and classroom walls
- £400 for wooden planters for the playground
- £100 per month for library books to keep providing new books
- £250 for new rubbish bin for playground to replace broken one
- £650 for new Netballs and Netball jerseys
- £1,420 for indoor athletics equipment (javelin, triple jump, hurdles)
